

Acknowledgements

The authors gratefully acknowledge the following colleagues who reviewed draft versions of this manual and provided useful suggestions and advice for revision:

Dr Geethanjali Amin, Tata Memorial Hospital, Mumbai, India
Dr Parthasarathi Basu, Chittaranjan National Cancer Institute, Kolkata, India
Dr Martha Jacob, EngenderHealth, New York, NY, USA
Dr José Jeronimo Guibovich, Ginecologia Oncologia, Patalogia Mamaria, Colposcopia, Instituto de Enfermedades Neoplasticas, Peru
Dr B.M. Nene, Nargis Dutt Memorial Cancer Hospital, Barshi, India
Dr R. Rajkumar, Christian Fellowship Community Health Centre, Ambillikai, India
Dr John Sellors, Program for Appropriate Technology in Health, Seattle, WA, USA
Dr Sudha S. Sundar, John Radcliffe Hospital, Oxford, UK

The authors are much indebted to the following colleagues for their valuable and tireless contribution in the preparation of this manual:

Dr John Cheney, IARC, Lyon, France, who undertook the task of editing this manual;
Mrs Evelyn Bayle, IARC, Lyon, France, who carried out the preliminary editing and typing of the several draft versions of this manual;
Ms Kritika Pitaksaringkarn, IARC, Lyon, France, who helped in the preparation of the diagrams;
Mrs Lakshmi Sankaranarayanan, Lyon, France, who helped with the line drawings.

The authors are grateful to all the students at the training courses where this manual was used, for their helpful suggestions.
